

## Pesta Souvenirs (Pre-Order)

Pesta Unlimited 2024 is committed to conduct our events in sustainable and eco-friendly manner. We discourage the usage of single use disposable foodware in our event to minimise waste. However, participants can choose to pre-book some of these exclusive Pesta souvenirs which are also food ware. Some of these exclusive Pesta souvenirs are specifically selected to allowing everyone's participation and contribution towards the implementation of UN SDGs (United Nations Sustainable Development Goals), while at the same time bring some memorable gifts home for yourself.
